

CE LABEL

CE MARKING	 0370
Nº Identification of the certification Organization	
Manufacturer name	ALUMINERA EXTRUSION, S.A.
Adress:	Crta. N-152, Km. 25,6 08403 Granollers Barcelona - España
Application year of the CE Marking	19
DPO	DC 2021/01
Order code	
Standard reference	EN 15088:2006
Product description	Extruded profiles
Expected use	Expected use: Construction works subjected to internal and external loads, to use in metal structures or composite material structures in buildings and civil engineering.
Benefits	<i>Dimensional and geometrical tolerances: OK/NOK</i> <i>Elongation: EN-755-2</i> <i>Mechanical resistance: EN-755-2</i> <i>Yield strength: EN-755-2</i> <i>Weldability: Does not apply</i> <i>Bending ability: Does not apply</i> <i>Fatigue resistance: Does not apply</i> <i>Durability: Does not apply</i> <i>Alloys: 6060 / 6082 / 6063 / 6005</i>
